MAIN GATE RENOVATIONS: Construction on the Main Gate has begun. The parking lot with the taxis and Anthony's Pizza does not yet have a closure date.

To make up for the loss of parking, the Osan Elementary School has kindly offered to let the general public park in their parking lot Monday through Friday between 1700 and 0500 and anytime on Saturday and Sunday. Their only request is that the public do their best to keep it clean, since the Elementary School is not staffed to maintain their parking lot like a typical public area. Please do not abuse this privilege.

- **Phase 1** (~13 months), Estimated Start April 2019: Once construction starts, parking will be affected as the larger lot on the north side of Songtan road and half of the smaller lot on the south side of Songtan road will be closed for reconstruction.
- **Phase 2** (~4 months): The other half of the small southern parking lot will be closed for reconstruction while the previously closed half will re-open. Road work will begin in front of the elementary school.
- **Phase 3** (~7 months): The small southern parking lot will be fully operational. There will be no vehicle access during this final phase.

Services that will be maintained throughout the construction include: pedestrian access, AAFES taxi services, access to the shops around the small southern parking lot, access to elementary school, and the LRS shuttle.
